Mr. Harold W. Tappey,
65 Nassau St.,
New York City.

Dear Mr. Tappey:

We are opening our baseball season here in Newark Sunday, May 11th. I have been considering what to do about Rain Insurance for the game. I would like you to let me know if they write a policy covering the amount that you would expect to make over and above the expenses of promoting the game, which of course represents your actual cash loss. Also due to the fact that we have a suit against the Company that refused to pay us, do you think we will experience any difficulty in placing this policy. I do not know whether you have heard or not the Insurance Company is appealing the decision in which they lost to us.

Please let me hear from you about this, and state the amount of premium for the different policies.

Very truly yours,
